

VOLUNTEER SERVICES

at HEIM gGmbH

TOGETHER. SOCIAL. COMMITTED.

Social commitment

Our volunteer services are a good opportunity to work for others, make a difference and take on responsibility. In addition to **social commitment**, our voluntary services offer **career orientation** in health and social services. But the possibility of crediting the service as a preliminary internship for a subsequent course of study also pays off. We have been a recognized provider of the Voluntary Social Year (Freiwilliges Soziales Jahr FSJ) since 1995 and offer a wide range of opportunities in the social sector.
